I will learn about...

- roles and responsibilities in a family and how to express appreciation
- the skills of friendship
- different strategies for keeping myself safe online
- how other people around the world help and influence my life
- how what I see in the media doesn't always show complete information
- how my needs and rights are shared by children around the world

I will explore...

- how taking responsibility makes me feel
- how to negotiate in conflict situations to find a win-win solution
- different cultures and how to show appreciation for them
- how to question stereotypes seen in photos or information
- how to keep myself safe online and who to ask for help from if I am worried
- how we feel and talk about children whose lives are different to our own

RELATIONSHIPS

Jigsaw Jino's Journey

Can you explain a right or responsibility that you or others that you know might have?

My Thinking Pad

What have I learned in this puzzle that helps me to build positive, healthy relationships?

My life is influenced positively by people who...

People in other countries can also influence me positively because...

My choices can affect my... because...

Can you explain how you might depend on others and how they may depend on you?

What is meant by a global citizen?

Looking back at my journey

Something important I learned

I feel proud that...

A question I still have is...

When could you use the Safety STAR?
