

ENGLISH

We will continue to practise reading comprehension and learn the Y5/6 statutory spellings, incorporating them into our work where possible.

Our writing focus this term will look at description of settings and we will be looking at the work of Harris Burdick.

COMPUTING

In Computing we will be looking at Web Page Creation. Designing and creating webpages, considering copyright, aesthetics, and navigation.

SCIENCE

In Science we will look at the circulatory system, including the heart; blood flow; oxygenated and deoxygenated blood and dissection!

MATHS

In Maths we will continue to revise all the main areas ahead of the SATs, but in particular we will be looking at Ratio, Fractions, Decimals and Percentages and Statistics.

We will continue to learn Times Tables and how to apply them to more complex problem solving.

ART

Our Art unit is entitled “Exploring Identity”

Pupils will develop their techniques, including their control and their use of materials, with creativity, experimentation and an increasing awareness of different kinds of art, craft and design.

LEARN TOGETHER

In Learn Together we will consider Muslim Beliefs about God (Salah). We will explore how people may prioritise their lives differently and participate in 5 short sessions of reflection.

MFL

In Modern Foreign Languages we will continue to study Spanish and in particular *Habitats*.

P.E.

In P.E. we will be learning how to play badminton and take on personal challenges. We will be having swimming lessons at the end of the term.
